

This Safety Data Sheet is prepared in accordance with EU Directive 91/155/EC, as amended by Directive 2001/58/EC - Germany - Switzerland -Austria

SAFETY DATA SHEET

Q 60-255-8080 Tack Cloth Wave

1. Identification of the substance/preparation and of the company/undertaking

Product name and/or Code: Q-60-255-8080 Tack Cloth Wave

Manufacturer: Q-Company Int. GmbH
Beckershof 3
24558 Henstedt-Ulzburg
GERMANY

msds@qrefinish.com

Emergency telephone number : +49 (0)551-19240 (Giftinformationszentrum-Nord)

Product use: **FOR INDUSTRIAL USE ONLY.**

2. Composition/information on ingredients

The product consists of cotton or viscose gauze or non woven viscose fabric (backing material) and alkyd resin (impregnation substance) with low content of plasticizer, which are usual paint materials and can be waste-managed as such.

Within the present knowledge of the supplier, this product does not contain any hazardous ingredients in quantities requiring reporting in this section, in accordance with EU or national regulations..

3. Hazards identification

The preparation is not classified as dangerous according to Directive 1999/45/EC and its amendments.

Classification: Not classified.

4. First aid measures

General: In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.

Inhalation: Remove to fresh air. Keep person warm and at rest. If not breathing, if breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Give nothing by mouth. If unconscious, place in recovery position and seek medical advice.

Skin contact: Remove contaminated clothing and shoes. Wash skin thoroughly with soap and water or use recognized skin cleanser. Do not use solvents or thinners.

Eye contact: Check for and remove any contact lenses. Immediately flush eyes with running water for at least 15 minutes, keeping eyelids open..

Ingestion: If swallowed, seek medical advice immediately and show this container or label. Keep person warm and at rest. Do not induce vomiting.

5. Fire-fighting measures

Extinguishing media: Recommended: alcohol-resistant foam, CO₂, powders, water spray, water jet.

Recommendations: Fire will produce dense black smoke. Exposure to decomposition products may cause a health hazard. Appropriate breathing apparatus may be

required. Cool closed containers exposed to fire with water. Do not release runoff from fire to sewers or waterways.

6. Accidental release measures

Personal precautions: Avoid breathing vapor or mist. Refer to protective measures listed in sections 7 and 8..

Spill: no special measures necessary.

Note: see section 8 for personal protective equipment and section 13 for waste disposal.

7. Handling and storage

Handling:

According to the available security data sheets for the raw materials there are no potential risks in the proper use of our tack cloths.

Eating, drinking and smoking should be prohibited in area where this material is handled, stored and processed. Workers should wash hands and face before eating, drinking and smoking.

Put on appropriate personal protective equipment (see section 8).

Comply with the health and safety at work laws.

Storage:

Store in accordance with local regulations. Store in a dry, well ventilated area.

Keep away from: oxidizing agents, strong alkalis, strong acids. No smoking. Prevent unauthorized access.

8. Exposure controls/personal protection

Engineering measures: No special technical measures necessary.

Occupational exposure limits: Not available.

Personal protective equipment:

Skin and body

For the proper use of the tack cloths the user has to follow the normal procedures for using synthetic resins. If persons should react allergically on tack cloths, we recommend wearing gloves on long-term and frequent use.

Environmental exposure controls: Do not allow to enter drains or watercourses.

9. Physical and chemical properties

Physical state: Solid.

VOC content: Not available.

10. Stability and reactivity

Stable under recommended storage and handling conditions (see section 7).

Hazardous decomposition products: carbon monoxide, carbon dioxide, smoke, oxides of nitrogen.

Keep away from the following materials to prevent strong exothermic reactions: oxidizing agents, strong alkalis, strong acids.

11. Toxicological information

There is no data available on the preparation itself. The preparation is not classified as dangerous according to Directive 1999/45/EC and its amendments.

Exposure to component solvent vapor concentrations in excess of the stated occupational exposure limit may result in adverse health effects such as mucous membrane and respiratory system irritation and adverse effects on the kidneys, liver and central nervous system. Symptoms and signs include headache, dizziness, fatigue, muscular weakness, drowsiness and, in extreme cases, loss of consciousness.

Solvents may cause some of the above effects by absorption through the skin. Repeated or prolonged contact with the preparation may cause removal of natural fat from the skin, resulting in non-allergic contact dermatitis and absorption through the skin. If splashed in the eyes, the liquid may cause irritation and reversible damage.

12. Ecological information

There is no data available on the preparation itself.

Do not allow to enter drains or watercourses.

The preparation has been assessed following the conventional method of the Dangerous Preparations Directive 1999/45/EC and is not classified as dangerous for the environment..

13. Disposal considerations

Do not allow to enter drains or watercourses.

Dispose of according to all federal, state and local applicable regulations.

Hazardous waste: Within the present knowledge of the supplier, this product is not regarded as hazardous waste, as defined by EU Directive 91/689/EEC.

14. Transport information

Land - road/railway - Sea:

Special provisions: Not available.

Marine pollutant: No.

Special provisions: Not available.

This product is not regulated for carriage according to ADR/RID, IMDG, ICAO/IATA.

15. Regulatory information

EU regulations: The product is determined as not being dangerous according to the requirements of the DPD.

Risk phrases: This product is not classified according to EU legislation.

Hazard class for water: 1

16. Other information

EU statistical classification (Tariff Code): 63071090

The information in this Safety Data Sheet is required pursuant to EU Directive 91/155/EEC and its amendments.

Date of issue: 06/13/2017

Version: 2.1

Notice to reader:

The information in this SDS is based on the present state of our knowledge and on current laws. The product is not to be used for purposes other than those specified under section 1 without first obtaining written handling instructions. It is always the responsibility of the user to take all necessary steps to fulfill the demands set out in the local rules and legislation. The information in this SDS is meant to be a description of the safety requirements for our product. It is not to be considered a guarantee of the product's properties.
